Words from the Editor

First let me say the errors in last month's issue were mine. I forgot to change the month to October and the font was a computer burp in sending the file to the printer.

Now this being the next to last issue under my chair and as I put together the Archive files together it has caused to pause and reflect . The issue back in March of 2006 I remember all the typing because I didn't know PageMaker .It has become easier to handle with the cut and pasting I've looking back at the emails (Yes I saved each one) to remember the mistakes I have made either through commission or omission and the lessons learned.

My time as chair has personally done more for my sobriety than I would have imagined. God knows I have learned to have thick skin and sometimes not to take it as a personal attack. I have learned when to ask for help and know that it will come in HP's time (I personally think that HP likes to see me sweat). I will thank them all in the next issue.

Greetings From Your Service Office

We're entering the holiday season, and it's important to let the Service Office know of your group's or district's holiday events. Whether you're throwing an alcathon, holding a special gratitude meeting, or sponsoring an AA dance, the Service Office can help you get the word out. Any information sent to us will be forwarded to the Pipeline (as long as it's in time for the deadline), and flyers will be posted on our event board. For all district events, flyers will also be posted on the Area website. If you don't have a flyer, the Service Office Staff is happy to create one for your event – just ask!

If you are new to AA and have never heard of an alcathon, you might be wondering what we're referring to. An alcathon is a marathon AA event – with meetings held around the clock over a holiday. Alcathons are most commonly held over Christmas Eve/Day, but some districts hold them over Thanksgiving and New Year's. Most alcathons have plenty of food available, and serve as a great meeting place. There's no reason to be alone over the holidays! If you are wondering if there is an alcathon in your neighborhood (or holiday destination), look on the calendar in the Pipeline, call the Service Office at 622-6967, or check out the website at www.nhaa.net!

For those of you who remember Ingrid, you'll be happy to know we've welcomed her back to the Service Office Staff. We're very excited that she was able to return! Amy has moved on to full-time employment, and we will miss her.

Thank you to Russ R. of Concord, Kevin S. of Windham, Paul S. and Don H. of Manchester and Geri F. of Auburn for their help in the office during September.

In grateful service,
Karen, Mary Anne, and Amy
